

2021 John Colvin Memorial Scholarship

The Greater Irvine Chamber, in coordination with the Colvin family, established the John Colvin Memorial Scholarship in honor of John Greg Colvin. Colvin was a long-time resident of Orange County, an active Chamber member, and chair of the Business Attraction & Retention Committee. He died in 2014 while training for an Ironman Triathlon. This year, the Chamber will award scholarships to selected students who have been accepted to or are currently enrolled in a four-year degree program at an accredited university or college in one of the listed Southern California counties. This scholarship does not go directly to the school but rather is to be used at the students' discretion to assist with their college expenses.
