IV. TASK FORCE REPORTS

Our U.K. trade mission is scheduled for February 12th – 17th, 2017. One travel day, 4 days on the ground in London, Cambridge, Manchester and one travel day back. The delegation will be a small group of invited reps from OCTANE, US Commercial Service, UCI, Edwards Life science, CTC Global, and CITD. OCTANE has put us in touch with representatives from K&L and Jones LaSalle who will be doing pro bono work for us when we get there.

After the mission is completed, selected members of the Committee will possibly be attending the USA Direct Trade Show in June, 2017, followed by a reverse trade mission in the fall, bringing interested parties and investors here from the U.K. to showcase Irvine’s business eco-system.

• World Trade Week – Rima Nashashibi provided an update.  
Rima provided an update of current sponsors on board. Additional invitations are being forwarded to prospective table sponsors, as well as the diplomatic corps. We are now in the third year of our event. At the 2015 event, there were 200 attendees, at the 2016 event there were 385. The goal for the 2017 event is 450.

Additionally, Rima reported that she has applications for anyone wishing to become a member of the International Visitor’s Council of Los Angeles. If you are interested, please see Rima.
